RESEARCH EXPERIENCE

Research Assistant, Hinshaw Lab, University of California, Berkeley, CA

September 2007-Present

Duties: Assisting a doctoral student in the investigation and development of research studies focused on the stigma of mental illness.

Supervisor: Stephen P. Hinshaw, Ph.D.

Project Coordinator, Archival Database Project, San Francisco Bay Area Center for Cognitive Therapy, Oakland, CA

June 2005-February 2008

Duties: Entered and validated data for an archival study with over one thousand subjects utilizing the SAS program. Trained other research assistants to enter data, reviewed literature, and developed data – focused PowerPoint presentations.

Supervisor: Jacqueline B. Persons, Ph.D.

Research Assistant, Supporting Father Involvement Project, University of California, Berkeley

October 2004-March 2007

Duties: Tracked and entered data for a multi-site family intervention project in California utilizing the SPSS and SPSS Data Entry Builder

programs. Trained eight research assistants to enter data and assisted the data coordinator as necessary.

Supervisors: Philip Cowan, Ph.D. and Carolyn Pape Cowan, Ph.D.

Research Assistant, Langley Porter Psychiatric Institute, University of California, San Francisco

June 2004-May 2006

Duties: Entered data using the SPSS program for several forensic studies. Performed literature searches and created summaries of relevant articles.

Supervisors: Dale McNeil, Ph.D. and Christopher M. Weaver, Ph.D.

Research Assistant, Hinshaw Lab, University of California, Berkeley,

February-May 2004

Duties: Administered measures to participants and entered data for a student's senior honors research project, entitled "Effect of Causal Attributions on Perceptions of Eating Disorders."

Supervisors: Whitney Brechwald, M.A. and Stephen P. Hinshaw, Ph.D.

CLINICAL EXPERIENCE

Practice Assistant, San Francisco Bay Area Center for Cognitive Therapy, Oakland, CA

January 2005-Present

Duties: Providing administrative support, including technical assistance, literature searches, bookkeeping, filing, copy editing, and additional support as needed to the Center therapists.

Supervisor: Jacqueline B. Persons, Ph.D.

Adjunct Therapist, San Francisco Bay Area Center for Cognitive Therapy, Oakland, CA

December 2007-December 2008

Duties: Providing guidance and counseling to a college student experiencing learning difficulties due to ADHD and social phobia.

Supervisor: Michael A. Tompkins, Ph.D.

Crisis Line Volunteer, San Francisco Suicide Prevention, San Francisco, CA

January 2007-December 2008

Duties: Providing crisis management and emotional support on several crisis lines, including those for suicide, LGBT youth, HIV/AIDS, and addictions. Empowering callers to look at options and make their own decisions as well as providing information and referrals when appropriate.

Supervisor: Sally Cerreta, M.F.T.

Peer Advisor, Psychology Department, University of California, Berkeley, CA

February 2005-May 2006

Duties: Selected by the Psychology Student Services staff to respond to questions and provide information to prospective and declared psychology majors. Presented information about the major to students and assisted them with the identification of on and off campus resources.

Supervisors: Jane Tupper and Suzanne McDermott

Peer Counselor/Coordinator, Sexual Health Education Program, University of California, Berkeley, CA

August 2003- May 2005

Duties: Counseled individual students during weekly clinic hours on health concerns including safe sex, pregnancy, and sexually transmitted diseases. Provided outreach presentations to large groups. During the 2004-2005 academic year, assumed Coordinator responsibility for the supervision of other counselors and sexual health promotion events.

Supervisor: Michael Paquette, M.P.H.
